

High Impact Methods of Teaching

Training Workshop

Get ready to laugh, learn and encourage one another as a community of teachers while you grow in your:

High impact PREPARATION skills:

- ...implement absolutely essential preparation skills for high impact teaching.
- ...impact the people you teach before you open your mouth to teach them.
- ...prepare lessons that will be relevant and life changing for those you teach.
- ...set achievable and substantial goals for the lessons you teach.

High impact PRESENTATION skills

- ...improve the way you start a lesson
- ...engaging learning activities that you can use immediately
- ...how to leave them wishing you would have kept teaching

You'll receive: A High Impact Methods of Teaching workbook that includes a six day follow-through study to keep you learning once the workshop ends.
